

If you’re looking for a new scanner, consider the features and characteristics listed below prior to your purchase. Then navigate to www.SwatchDog.com/Purchase to review current pricing and availability of scanners and accessories.

Both scanners are extremely FAST and operate beautifully with SwatchDog using Scan to Connect (STC) technology to effortlessly pair with your iOS/iPadOS devices. Swapping between iPads/iPhones is a breeze. Simply scan the barcode in the SwatchDog app to connect.

Quick Comparison:

The **DS22** is inexpensive, full-sized (yet ergonomic), charges with a common micro-USB cable, and has extremely long battery life.

The **CS60** is sleek, solidly constructed, and very portable. NOTE: it must be charged with a Qi wireless charging pad which is NOT INCLUDED with the scanner.
